- 6&7 step right back and to the right, step left back, cross right over left
- 8& rock, left out to left side, recover weight onto right in a swaying motion, restart the dance with the big side step to the left on 1

Hope you like. Decided to change it up a little

**Note!!!! There are 2 restarts in the dance**

The first restart is on the 2<sup>nd</sup> wall. Dance through the 5<sup>th</sup> set of 8, when you are finishing your sway into your 1/4 turn coaster. Make a 1/4 turn to the left stepping right next to left and restart the dance on the front wall

The Second Restart will be on the 5<sup>th</sup>. This is you front wall. Do the first two 8 counts of the dance. After your sweep around, rock/recover, just bring right foot next to left and restart again on the front wall.....Have fun and put a lot on emotion into this dance!
