

# Bear With Me

Choreographed by:  
Jannie Tofte Andersen (DK) - [jannietofte@gmail.com](mailto:jannietofte@gmail.com)

Date of release: March 2017

|                |                                                                                     |
|----------------|-------------------------------------------------------------------------------------|
| Type of dance: | 48 counts, 2 walls Viennese waltz line dance                                        |
| Level:         | Intermediate                                                                        |
| Music:         | ' <b>Look through My Eyes</b> ' by Phil Collins (From Brother Bear). Buy on iTunes. |
| Tag:           | 2 tags (same steps) after wall 1 & 4. See bottom for details                        |
| Restart:       | On wall 6 after 24 counts.                                                          |
| Intro:         | 60 counts intro (app. 23 seconds into song.)                                        |

| Counts       | Footwork                                                                                                                                                                                                                       | End facing |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>1-12</b>  | <b>Behind Side Cross, Lunge L, ¼R Step ¼R Cross, ¼ R, ½R step</b>                                                                                                                                                              |            |
| 1-3          | Step R behind L, step L to L side, cross R over L                                                                                                                                                                              | 12:00      |
| 4-6          | Step L to L side (L knee slightly bended), prep body to L                                                                                                                                                                      | 12:00      |
| 1-3          | Turn ¼ R stepping R fw, step L fw, turn ¼ R crossing R over L                                                                                                                                                                  | 06:00      |
| 4-6          | Turn ¼ R stepping L back, turn ½ R stepping R fw, step L fw                                                                                                                                                                    | 03:00      |
| <b>13-24</b> | <b>Step, Sweep, L Twinkle, Slow Rock, Recover Sweep</b>                                                                                                                                                                        |            |
| 1-3          | Step R fw sweeping L cw                                                                                                                                                                                                        | 03:00      |
| 4-6          | Cross L over R, step R to R side, step L to L side ( <i>body angled towards L diagonal</i> )                                                                                                                                   | 03:00      |
| 1-3          | Cross R over L, Hold, Hold                                                                                                                                                                                                     | 01:30      |
| 4-6          | Recover onto L, squaring up to 03:00 and sweeping R cw<br><b>Restart here on wall 6 (starting 06:00). Instead of squaring up you sweep keeping your diagonal (07:30) and then square up to 06:00 to start the dance again.</b> | 03:00      |
| <b>25-36</b> | <b>Back Twinkle R, Behind ¼ R Step, Step Slow kick, Coaster Step</b>                                                                                                                                                           |            |
| 1-3          | Cross R behind L, rock L to L side, recover onto R                                                                                                                                                                             | 03:00      |
| 4-6          | Cross L behind R, turn ¼ R stepping R fw, step L fw                                                                                                                                                                            | 06:00      |
| 1-3          | Step R fw, raise L slowly like a kick (2-3)                                                                                                                                                                                    | 06:00      |
| 4-6          | Step L back, step R next to L, step L fw                                                                                                                                                                                       | 06:00      |
| <b>37-48</b> | <b>Slow Step ½ L, ½ L Sweep, Behind Side Cross, Full R Unwind Sweep</b>                                                                                                                                                        |            |
| 1-3          | Step R fw, begin ½ pivot L weight still on R, finish ½ pivot L transferring weight on to L                                                                                                                                     | 12:00      |
| 4-6          | Turn ½ L stepping R back sweeping L ccw                                                                                                                                                                                        | 06:00      |
| 1-3          | Cross L behind R, Step R to R side, Cross L over R ( <i>prepping body L</i> )                                                                                                                                                  | 06:00      |
| 4-6          | Unwind full turn R, ending with weight on L and sweeping R cw                                                                                                                                                                  | 06:00      |

| Tag          | Happens after wall 1 (06:00) & wall 4 (12:00) (indicated 'time' is for 1 <sup>st</sup> tag)      |       |
|--------------|--------------------------------------------------------------------------------------------------|-------|
| <b>1-12</b>  | <b>Cross Point x2, Step ¼ R, Cross ¼ ¼ L</b>                                                     |       |
| 1-6          | Cross R behind L, point L to L side, hold(3), cross L in front of R, point R to R side, hold (6) | 06:00 |
| 1-3          | Step R fw, step L fw, turn ¼ R stepping R to R side                                              | 03:00 |
| 4-6          | Cross L over R, turn ¼ L stepping R back, turn ¼ L stepping L to L side                          | 09:00 |
| <b>13-24</b> | <b>Cross Point x2, Step ¼ R, Twinkle</b>                                                         |       |
| 1-6          | Cross R in front of L, point L to L side, cross L behind R, point R to R side                    | 09:00 |
| 1-3          | Step R fw, step L fw, turn ¼ R stepping R to R side                                              | 06:00 |
| 4-6          | Cross L over R, step R to R side, step L to L side                                               | 06:00 |
| <b>25-30</b> | <b>Cross Chasse, Cross Rock Sweep</b>                                                            |       |
| 1-3          | Cross R over L (1), step L to L side (2), step R next to L (&), step L to L side                 | 06:00 |
| 4-6          | Cross R over L, recover onto L sweeping R cw                                                     | 06:00 |

No ending needed. Just keep dancing through wall 10 to end facing 12:00. Good luck & enjoy ☺
